REMARKS.-In the absence of any shipping demand and the general weakness of the Wheat market, with a tendency to lower figures, the transactions in Flour during the past week have been limited. The receipts have been moderate, and under a light demand prices have been barely maintained. Early in the week some 250 bbls of Family and Extra were sold at 7 37 to \$7 50 for Family, and 6 50 to \$6 75 for Extra; and on Thursday we note sales of some 300 bbls at \$7 50 for Family, and 6 75 to \$6 87 for good to prime Extras. Supers are in light supply and in better enquiry. We note sales at 5.75 to \$6. We revise our quotations, at which the market closes inactive, with a declining tendency .-Family 7 50 to \$7 75, choice \$8 75, Welch's Flour 8 75 to \$9'75; Extras 6 50 to \$6 87; Supers 5 75 to \$6. Corn is more active under light receipts, though prices are not quotably higher; offerings of 792 bushels mixed and 150 of yellow, with sales of the former at 76, 77 and 78, and of quotations; offerings of 1492 bushels, with sales at 45, 46, 47 and 51-latter for choice samples .-Small offerings of Rye, but no sales reported. The amendment was rejected-ayes 2, noes 13; Messrs. Lloyd and Moore voting aye. Mr. Moore moved to strike out "Board of Public Works" wherever the same occurred, and insert the word "Governor." THE ALEXANDRIA POSTOFFICE. - The gene ral repairs commenced at the Custom House some time since, have been almost completed, and that portion of the building devoted to the purposes of a postoffice has been so much improved that it will now compare favorably with any similar office in the country. Among the conveniences added are one hundred and twentysix handsome new lock-boxes, east of the general delivery window, and the sixty-six new locks on the lock drawers. As soon as these are arranged the vestibule of the office will be kept open daily, except Sunday, from 7 a. m. until 9 p. m., and renters of boxes or drawers can obtain their mail at any time between those hours, though the general delivery and regular boxes will be closed as usual at 7.30 p. m. A new feature in the locks of the lock drawers is that they can not be left open- for the keys can not be removed from them unless they are locked. The management of the office is excellent, every the latter at 75. Oats are active at yesterday's thing working with the regularity of clock work, and the complaints sometimes heard concerning delays in the reception of letters and papers are caused by irregularity in other offices, chiefly, it is supposed, at the central office in Washington.
